Annual Budget

The annual budget is the financial plan for the operation of the BOCES. It provides the framework for both expenditures and revenues for the year and future years and translates into financial terms the programs and objectives of the BOCES.

Budget process

In accordance with state law, the budget shall be presented in a summary format that is understandable by any layperson. The budget format shall itemize expenditures of the BOCES by fund. It shall describe the expenditure and show the amount budgeted for the current fiscal year and the amount budgeted for the ensuing fiscal year. When budgeting for any enterprise funds, the BOCES shall use the full accrual basis of accounting.

The budget shall include a uniform summary sheet for each fund administered by the BOCES that details the beginning fund balance and anticipated ending fund balance for the budget year; the anticipated fund revenues for the budget year; the anticipated transfers and allocations that will occur to and from the fund during the budget year; the anticipated expenditures that will be made from the fund during the budget year; and the amount of reserves in the fund.

The Board assigns to the executive director overall responsibility for annual budget preparation, budget presentation and budget administration. As part of the executive director's budget responsibility, the executive director shall cause to be prepared a budget preparation calendar that shall ensure all deadlines established by law for budget presentation, hearings and adoption are met by the BOCES. The executive director shall have authority to delegate portions of his or her budget responsibility to the business manager of the BOCES.

The budget prepared and presented by the executive director shall be consistent with the Board's budget priorities established in policy DBD.

Operating reserve

NOTE: *Maintaining a set amount or percentage year-end fund balance is not required by law but is a suggested "best practice."*

Maintaining a fiscal year-end fund balance as an operating reserve is a beneficial and sound financial management practice. The Board assigns to the executive director or designee the responsibility of accumulating and maintaining a general fund balance as an operating reserve in an amount determined by the Superintendents Advisory Council and the Board.

The operating reserve is intended to serve as a "rainy day" fund and will be used only for an unexpected loss of revenue or an extraordinary expenditure. Expenditures from this reserve shall be reported to the Board.

If any part of the operating reserve is used in any fiscal year to cover an unexpected loss of revenue or an extraordinary expenditure, funds will be reallocated to restore the year-end fund balance in the operating reserve before any other budget allocations in the subsequent fiscal year, unless the Board approves otherwise.

NOTE: The State Board of Education has implemented a statewide financial, student management and human resource electronic data communications and reporting system that is based on a redesigned standard chart of accounts, a standard information system and a standard personnel classification system. All school districts and boards of cooperative services must use the system to report and obtain necessary financial information. C.R.S. 22-44-105 (4).

NOTE: The Public School Financial Transparency Act, C.R.S. 22-44-301 et seq. (the Act) requires the BOCES to post financial information online, in a downloadable format, for free public access. See exhibit DAB-E. The Act requires the BOCES to update any required information within sixty days of the BOCES's completion or receipt of the applicable report, statement or document. Once posted, the Act requires the BOCES to maintain the prior two budget years' financial information online, until the end of the BOCES's current budget year. The BOCES must also provide a link to the Colorado Department of Education's (CDE) website or the location information for CDE's website to enable a member of the public to access information or reports submitted directly to CDE.*
