April Newsletter

Parents Encouraging Parents

General Information

Three PEP Conferences are offered throughout the school year - one in the fall, one in winter and one in the spring. The purpose of these conferences is to bring Colorado parents (might include an adoptive parent(s), grandparent(s) or other relative(s), or a single parent) and professionals together to allow them an opportunity to share ideas, discuss concerns, celebrate success, and obtain information relating to parenting, educating and supporting a child with a disability. PEP and its conferences promote partnerships that are essential in supporting and including children with disabilities and their families in schools and the community.

Today's Students, Tomorrow's Teachers

An educator pipeline project in collaboration with UNC's Summer Enrichment Program.

The purpose of Today's Students, Tomorrow's Teachers is to provide students entering 8th through 12th grade with the opportunity to discover more about the teaching profession.

For more information please follow the link
