

Girls and Science March 2, 2019

Denver Museum of Nature and Science

Be Inspired by Women in Science!

The Denver Museum of Nature & Science and CBS4 are excited to host the fifth annual Girls & Science event. Explore a variety of Clubhouses, where girls (and boys!) and their families will meet women Career Mentors in STEAM and experience the many diverse opportunities a future career in science, technology, engineering, arts, and math can bring. This day is all about igniting a passion for science—so try it on, test it out, and play!

Agenda

Saturday, March 2, 2019, from 9 a.m. to 5 p.m.

Clubhouses

Explore a variety of STEAM clubhouses! Meet women in STEAM (science, technology, engineering, arts and mathematics) professions to learn what they do, who they are and what inspires them.

Stories with Scientists and Mentor Meet-Ups

2019 Girls & Science will feature "Stories with Scientists", a series of short presentations by women in STEAM fields. Following the presentations, career mentors will have the opportunity to visit one-on-one with guests through the remainder of the day in the Mentor Meet-Up room. "Stories with Scientists" presentations will take place in the Museum's Science Atrium every half hour from 10 a.m. to 4 p.m.
