Location:

Carlson Elementary

Clear Creek RE1 School District is looking for an Teacher, Special Education, Mild Moderate. This position would begin August 2019.

POSITION REQUIREMENTS:

- The Special Education Teacher shall hold a valid Colorado license with approved endorsement as a teacher of the category of handicap being taught.
- Bachelor's degree or higher required from an accredited university or college.
- Completed a state approved Teacher Preparation Program, participation in a Teacher in Resident Program or participation in an Alternative Teacher License program.
- Demonstrates competency by one of the following means:
 - o Pass the Elementary Place or Praxis test.
 - o Pass the Veteran Teacher HOUSSE, held a license on or before July 1, 2006 and has had one or more years of completed teaching experience.

GENERAL RESPONSIBILITIES:

- Provide a continuum of services with students with disabilities, including instruction in the general classroom and pull-out specialized instruction in the special education classroom.
- Provide materials and teaching techniques that are research-based and that will address the needs of students with disabilities..
- Assist the administration at their request in any matter that may command priority and bring to their attention issues of concern regarding special education services and programs to increase efficiency and effectiveness.
- Maintain the confidentiality of school district record files, conversations and meetings that have not become a part of the public record.
- Communicate with the immediate supervisor in a direct and open fashion to facilitate the finding of solutions to school district and interpersonal problems and misunderstandings.

SPECIFIC RESPONSIBILITIES:

- Provide a responsible diagnostic and prescriptive program for children in alignment with special education law and Response to Intervention.
- Assess and evaluate students who are referred for possible special education services in order to determine eligibility and pinpoint strengths and weaknesses in learning styles and academic achievement.
- Work in an instructional capacity individually or in small group with students assigned to a special education program.
- Consult with parents and assist them in understanding their child's learning needs.
- Provide consultation services to the classroom teacher and other related service team members in

areas of student need.

- Act as a team member, attending meetings and staffings designed to meet the needs of students with disabilities.
- Act as an advocate in an advisory capacity for meeting the needs of children with educational disabilities in the community and at parent group meetings.
- Supervise the work of the assistant and volunteers assigned to the program.
- Provide in-service and workshops for teachers and staff during the school year.
- Evaluate the progress of students.
- Complete all necessary forms and records as required by Clear Creek School District and the Colorado Department of Education.
- Participate in workshops for professional growth.
- Perform other duties as may be assigned by the building principal or Special Education Director in accordance with district policies.

SALARY:

Is commensurate with the Clear Creek School District certificated salary schedule.

In order to receive serious consideration for this position, a completed application packet must be received online. The list of materials that constitute a completed application packet is found at www.ccsdre1.org under the District – Human Resources/Employment tab.

Interested and qualified individuals must apply Online.

Clear Creek RE1 School District is situated between Jefferson County and Summit County, just west of Evergreen, CO. There are two elementary schools (PreK-6), one middle school (7-8), one high school (9-12), and one Charter School (Infant-6) that serves roughly 900 students.

CCSD is an Equal Opportunity Employer.
