Vacancy Notice 2019/2020 School Year

Position Type:

School Psychologist or School Social Worker or School Counselor

Date Posted:

May 21, 2019

Location:

Gilpin County School District, Black Hawk, CO 80422

Date Available:

August 5, 2019

ESSENTIAL FUNCTIONS, DUTIES, AND RESPONSIBILITIES include the following:

- Provide consultation, counseling, communication and reporting services to general education and special education students and their schools.
- Provide mental health services to the students.
- Consult with school staff regarding the implementation of research-based interventions for students experiencing mental health and/or behavioral related concerns/issues as appropriate.
- As appropriate, performs educational relevant evaluations to identify students' personality and emotional development and social skills.
- Conduct Functional Behavioral Assessments to inform the development and ongoing monitoring of Behavior Intervention Plan implementation, and help draft IEP goals related to behavior and social/emotional development.
- Participate in crisis intervention (threat/suicide assessments, safety plans, crisis intervention teams, building safety concerns) and as necessary, provide resources to students and parents.
- Provide consultation to 504 teams at the request of the 504 building coordinator.
- Follow district, department and school policies, procedures, rules, regulations, and/or guidelines, and the provisions of the contract as well as exercise professional judgment when acting in the absence of covering guideline or policy.
- Provide consultation services including support, problem solving, resources and implementation ideas to special education staff, general education staff, support staff and administrative staff for students with disabilities and/or parents of "at risk" students.
- Assist parents in accessing school and community resources; encourage and instruct families in self-advocacy skill development.
- Provide training and education programs for district staff and parents, as directed by the Director of Special Education.
- Serve as home, school, and community agency liaison as needed.
- Set up student assistance programs and provide support to staff and families as need during time of crisis.
- Other duties as assigned.

EDUCATION AND TRAINING

1. Master's Degree in School Psychology or Master's Degree in School Social work or Master's Degree in School Counseling from an accredited college or university.
2. Special Services Provider License from the Colorado Department of Education (CDE).
3. Must have knowledge and basic understanding of IDEA and ECEA.
4. Ability to communicate effectively with students, parents, staff and administration both written and verbally.
5. Knowledge of current best practices on school-based prevention and early intervention strategies for students with mental health and/or social needs.
6. Ability to assess, diagnose, consult and counsel in individual and group setting in the school environment.
7. Demonstrated skills in facilitation, conflict resolution and student and adult learning.
8. Evidence of organization, planning and time management skills
9. Demonstrated skills in data gathering and analysis.
10. First Aid and CPR certificate or ability to obtain one.
